

## **Parent Referral Form**

Mater Christi offers a benefit for current families. If you assist in recruiting a new family into grades preschool through grade 3, your family will receive a \$1,000 tuition credit for the academic year of enrollment of the new family. If you assist in recruiting a new family into grades 4-8, your family will receive a \$500 tuition credit for the academic year of enrollment of the new family. This offer does not apply to new or arriving families who receive tuition assistance. In order to receive the benefit, the referring family must submit the Parent Referral form found on the website to Melissa Senesac. If more than one person submits a referral form for new family, and if the matter cannot be easily resolved, the benefit will be split. Mater Christi School reserves the right to amend this policy at any time. Please return this form to Melissa Senesac or email [msenesac@materchristischool.net](mailto:msenesac@materchristischool.net)

Please provide the following information for the family you are hoping to recruit.

_____	_____	_____
Name(s)	Phone	Email
