Welcome and Introductions

- Teacher Grants- All have been approved. Teachers have been notified. Email teachers asking for pictures of what they purchased for social media. We would like to inform the community as well with a little hype behind it.
- New year gathering at the rink-A larger event to take place Feb.10 or 11th? (Friday evening 5-8?)/ with Feb. 17th or 18th as a backup date. Divide rink time among different age groups. Have separate hockey time. Ideas for activities for non-skaters-spray coloring snow, snow fort building, etc. Other ideas included chili cook off, and hot dogs. Terra has a hot dog cooker. Snack shack to be set up that has a power source. Food/slow cookers could be plugged in there. A specific meeting needed soon to plan this event with many volunteers needed..

PTO to provide a snacks/drink table was the original idea but looks like there is interest to make this a larger event.

More details forthcoming.

- January teacher breakfast sign up. These have been a huge success. The teachers are feeling very appreciated and enjoy this very much. Many families are signing up to do this and slots fill quickly. Regan will put a sign up in the Monday Messages.

1/25/23 will be the next one

- March- Elections for Secretary and VP 2023/2024 - Secretary is a 2 year term. VP is also a 2 year term-the first to be served as a VP and the 2nd as President-there can be co-VPS/Presidents so feel free to do this with another person. You may nominate someone but please let them know you want to do this or you may nominate yourself. Then voting goes out to the entire school community
