APRIL 8 ECLIPSE RESOURCES FROM MR. PENDERGRASS

We look forward with great excitement to the total solar eclipse on Monday, April 8th. **School will be closed on that day**, but Mr. Pendergrass has prepared a document with many helpful resources to enhance learning and safety while viewing this natural phenomenon.

Please note that this document has been updated with new resources, since it was previously shared. Additionally, MCS will be providing each student a pair of eclipse glasses that will be sent home this week. Please read safety instructions printed on the inside of the eclipse glasses and explore the educational resources shared by Mr. P prior to the event.
