HOST FAMILIES NEEDED FOR UPCOMING ACADEMIC YEAR

At Rice, we have students joining us from all over the nation and different parts of the world. They are a crucial part of our school community bring diversity, unique perspectives, and spirit! We're actively seeking host families starting at the end of August.

About our Incoming Students:

- Inigo from Spain: is an 11th-grader who enjoys golf, skiing, and tennis. He is looking forward to making new friends and experiencing life and culture in the US.
- Paul from Germany: is an 11th grader who will be at Rice for the first semester. He is interested in American football and learning about US culture.
- Joel from China: is an 11th grader from China who is a highly motivated student and pursuing his dream of a US education. He's excited for the many opportunities available here at Rice.

Host families receive a stipend of \$1000/month and provide: a bedroom, 3 nutritious meals/day, internet access, and transportation to/from school and events.

We also need to identify families that are willing to serve as "welcome family" that might be able to host a student for a weekend. Learn more by [visiting this page](#) and contacting Heatherly Allard.
