8TH GRADE GRADUATION FEE IS DUE

This final year at Mater Christi has some very special events and experiences surrounding graduation. Associated with this are some particular expenses that are not shared by any other classes, which cover the costs of caps and gowns,

records transfers, flowers, awards, etc. For many years we have absorbed these costs through our school budget, but realize that it is best to have a separate graduation fee for our 8th grade families.

The fee for the class of 2025 is \$125 and can be paid directly to the school office by check. If you need assistance with this fee, please reach out to Kate Lafferty (klafferty@materchristischool.net) in the finance office.

We appreciate your support and commitment, and we look forward to sharing this final year of culmination and joy with your children!
