Minecraft Special Events Lab: Bulldog Robotics Event Series at Mater Christi!

Get ready for an unforgettable Minecraft adventure at Mater Christi School! The Bulldog Robotics Club is hosting a six-event series for students in grades 2-8, featuring custom-built Minecraft challenges designed by the club itself!

Explore Burlington in Minecraft!

Step into a one-of-a-kind world—a Minecraft map generated from Google Maps data of Burlington and surrounding areas! Play and build in a secure environment on our restricted local network and the Bulldog Robotics dedicated, white-listed Minecraft server.

Epic Engineering Challenges!

Each event features a unique, hands-on building experience, where creativity and collaboration take center stage:

- ◆ Rollercoaster Challenge – Build the most thrilling ride!
- ◆ Parkour Course Design – Create and conquer insane obstacle runs!
- ◆ Base Building Battle – Construct the ultimate fortress!

🏆 **Craftlands Creed: Creativity Over Competition**

This is not a social gaming event—it’s an interactive design challenge! There are no scores, no rankings, and no saved progress, just pure creativity in a fun, local environment.

💰 **Support Bulldog Robotics!**

Each session is \$30, a tax-deductible donation to Bulldog Robotics. To donate, simply write "Bulldog Robotics" in the memo line of your check.

🎮 Join the fun, unleash your creativity, and support robotics at Mater Christi! 🚀

SIGN UP FOR GIRLS ON THE RUN!

When girls feel a sense of pride and have confidence, they shine differently. From the first practice to crossing the 5k finish line, Girls on the Run participants learn that their self-worth is so important to all that they do. Our lessons help girls unleash their inner superstar and teach them to never let their light dim. Unlock your girl’s limitless potential and join us this season!

Our 10 week season is for students in grades 3rd-5th. Our season begins the week of March 17. The season will culminate with our team crossing the finish line at GOTRVT’s 5K Celebration on May 31st! Our team at Mater Christi School will meet on **Monday and Thursday from 3pm to 4:30 pm.**

The registration fee is \$130. GOTRVT provides financial assistance directly on the registration form for qualifying families. Please contact GOTRVT directly at 802-871-5664 regarding financial assistance options.

WORLDWIDE MARRIAGE ENCOUNTER

[VIEW THE FLYER HERE](#)

The greatest thing that parents can do for their children is to love each other. BUT...with the pressures of everyday life... it can be easy to slip into taking each other for granted and in doing so, diminish your ability to radiate God's love in your relationship and to your children. Do you want to find an easier path?

The good news is we've got a more loving way to be with your spouse and your children. It starts with a Worldwide Marriage Encounter Weekend and it's happening right here! Now is the time! There's no need to go away for the weekend, you can stay at home. It's just about the two of you learning to be the best, most loving and thriving couple you can be. Imagine giving that gift to each other AND to your kids!

This experience is being offered at Mater Christi Catholic School, March 21-23. Want more information? Check out www.WWME.org or call Gary & Lynn Root at (802) 456-8114. They'd be thrilled to tell you more about the Weekend.

Best regards,

Kendra & Mary Beth
