## 2025 MCS SUMMER CAMP REGISTRATION

Are your kids looking for something fun and exciting to do this summer? Join us for summer camp at MCS! Come for one week or spend the summer with us! Campers will dive into a world of mythical beasts, dinosaurs, and dragons, using imagination and popular stories to bring these creatures to life. They'll celebrate patriotic spirit with crafts, games, and a festive camper celebration. Inspired by *The Questioners*, STEAM week will spark curiosity through hands-on experiments in science, technology, engineering, art, and math. Kids will explore their local community with creative field trips and turn their discoveries into a collaborative mural. Outer space adventures await with rockets, gravity experiments, and galactic fun. A food-focused week will bring family recipes to life with cooking activities and cultural exploration.

Outdoor enthusiasts will love the Park Safari week, full of hiking, nature discovery, and history. Finally, the summer wraps up with a camp-themed camping week filled with s'mores, stories, games, and fun—minus the overnight stay. Questions?
