MIDDLE SCHOOL SCIENCE FAIR

The Mater Christi School Science Fair is quickly approaching, and Mr. P is looking for some additional judges to help evaluate the scientific and engineering merit of the student projects. Judging will take place during the school day on Feb 17, 18, and 19. Students will present their projects to judges with the help of the classic tri-fold Science Fair Poster Board. Judge scores have no impact on student grades, but science students can learn a lot from the discussions that they have with the judges. If you are a person with a science/engineering adjacent career or degree, and you would like to help judge student projects please reach out to Mr. P at (mpendergrass@materchristischool.net).

Girls on the Run Coaches needed at Mater Christi!

Ready to help girls speak up with confidence? Through the Spring 2026 Girls on the Run curriculum (GOTR), "Hello, Bold Heart!", we teach girls how to share their thoughts, feelings, and ideas and help others do the same. Speaking up takes courage, and being a Bold Heart is all about building the confidence to share what's inside—even when she feels nervous. Want to use YOUR voice and empower girls to speak up like never before? Register to coach the Mater Christi GOTR team today!

Not a runner? Haven't coached before? No problem! Girls on the Run VT (GOTRVT) provides training, easy to follow lesson plans, supplies and support for a transformational season. Our season begins the week of March 16, 2026 and ends with a celebratory 5K on Saturday, May 30th. Over the 10 week season our team will meet twice weekly for 90 minute sessions to connect, move, learn and have FUN!

Visit gotrvt.org/coach to learn more or sign up to volunteer. Families can fill out a [participant interest form](#) to get connected. Questions? Contact GOTRVT at stephanie@girlsontherunvermont.org, or 802-871-5664.
