VOLUNTEERS & CHAPERONES

There are several opportunities in the year to volunteer or chaperone field trips or other events for your child's class. The Diocese and Mater Christi require volunteers and chaperones, like staff, to have background check items performed before the event. These items include filling out a form, going for a fingerprint, and taking a short child safety online training.

The Diocese has stressed this importance and we will have to say "no" to parents that have not gone through these background hoops. If you are planning on being a volunteer or chaperone in upcoming field trips, please contact Kate Lafferty klafferty@materchristischool.net to start the background check process (fingerprints can take up to 2 months for results to come in).
